Dear Potential Sponsor:

The Metro East St. Louis Community Initiative (MESCLI) has a mission to inspire hope and strengthen our communities through personal, professional and economic development.

In 2026 we are excited to continue our new tradition with the 3rd Annual MESCLI Juneteenth Golf Tournament to take place on Friday June 20th at The Prairies Golf Club in Cahokia Heights, Illinois.

As we approach this year's MESCLI Golf Tournament in recognition and celebration of Juneteenth, we continue to dedicate ourselves to continue the impactful work that the Metro East St. Louis Community Initiative has been doing in the community and I invite you to join our journey.

As before, we have organized this golfing event to build future leaders via Scholarship and Programs that provide essential life skills, leadership development, academic support, and community engagement, while fostering teamwork that leads to broader personal success.

Our Core Values

- **Leadership:** We lead by setting a positive example for others to emulate.
- **Advocacy:** We advocate for the marginalized so that they can make a difference and also prosper:
- **Service:** Serving others is what we do to instill a sense of pride in the community.
- **Excellence:** We give our best because people deserve our best.
- **Collaboration:** Partnering with others helps everyone to succeed.

We welcome you to join our mission of engaging the grand game of golf as one of many means to help support the core values of MESCLI that are focused on strengthening our community.

Sincerely,

A handwritten signature in black ink that reads "Dr. Wilfert Lee".
